General Sponsorship

Remember, while cash sponsorship is the preferred method, bartering was commonplace in the middle ages and throughout history. You can sponsor, or contribute a portion of your sponsorship, via goods and services. Many things are needed to put on the festival each year.

Come to us with a trade and let's barter!

Some of the trade items we are looking for include:

- ◆ gas cards for entertainers
- ◆ lodging for entertainers
- ◆ food for the participants
- ◆ craft supplies for the Kid's Kingdom
- ◆ advertising opportunities
- ◆ printing assistance
- ◆ landscape supplies
- ◆ construction materials for stages, benches, fences, signs, etc.
