The Royal Quest

What is the Royal Quest?

The Royal Wedding has arrived! Last year's drama in the Magical Realm ended with the engagement of the clever Lord Shadow, brother to the king, and the ambitious Lady Spring. At last, the day is here. Excitement is rapidly spreading throughout the Realm as many celebrate the match, while those who carry objections grow more uneasy by the hour.

Heroic adventurers are invited to join the court for the promised day when both plans and schemes finally come to fruition.

(All ages invited to participate! Quest Givers can be easily spotted by the large orange exclamation point over their heads.)

11:00 The Jail: Recover the Magic Artifact

2:00 Throne Room: Overcome the Trial of the Elements

Simple Quests of the Magical Realm:

There are always things to do in the Magical Realm. The Royal Court have many things they're trying to do throughout the day. You may be asked to deliver love letters, pull pranks, spy on entertainers, or search the marketplace for lost objects. Those who lend their aid may well be granted the favor of the members of the court.
